Dear Parish Family,

This Thursday, our nation will celebrate the 248th Anniversary of its independence, when on July 2, 1776, the Continental Congress, meeting in secret in Carpenter's Hall in Philadelphia, representing 13 English Colonies, voted unanimously to form a "more perfect union". On July 4, 1776, after the representative from Pennsylvania, Mr. Benjamin Franklin, had completed printing the broad-sheets, the Declaration of Independence was read aloud to the populace for the first time.

Someone would later ask Mr. John Adams, the representative from the Colony of Massachusetts, "What kind of government was formed?" he responded, "A Republic, if you can keep it." And, that has been the challenge from the very start. Being a free people is a messy business, a cantankerous business, and a difficult business. Let's face it most people prefer to be told what to do by someone else; that way you take no responsibility for the outcome. Liberty requires that *everyone* take a stand and contribute. Politicians today prefer a populace who simply do what they are told without knowledge or contribution.

Liberty requires work, struggle, and in most cases, compromise. Possibly, like no other time in our history, do we struggle to keep a republic. There is a strong push for the nation to discard the republic in favor of socialism (communism with a more palatable name). Our elites, media and university intellectuals tell us 24/7 how precious, and superior socialism is to our form of government. Socialism has been a big hit in South America, after all, just look at the success in Venezuela, a country rich in resources and in collapse!!! Our political, communication, elites and university intellectuals would have us believe that abject failure is actually success! Why? Well, it leaves the tiny oligarchy with more power, and the rest of the population poor and voiceless, who then must rely on the oligarchy's secret, hidden wisdom.

There is a reason our founders chose a republic, they already had their fill of tyranny, and no longer wished to live as slaves to elites, but as free, independent men and women. The struggle was real, after all, not all the voices at the founding were unified, and it took the Constitution to do that. That pesky document which binds the nation, and can only be changed through a laborious process requiring the consent of the governed! The elites hate that document; it gives you too much power. The system the founders developed was brilliant, 3 executive branches, all with equal power to keep in check the same powers. No branch would have absolute power.

We live in the greatest country in the history of humanity. There is no other place on earth where free speech, even offensive speech, is protected, where you can worship, or not, as you choose; move about as you like; live where you want; make lots of choices that are prohibited in most of the nations on the earth, even those who have tried to imitate us. Let Freedom continue to ring. The world has seen many republics, but few have had staying power. The Romans kept theirs for 500 years, and the Venetians nearly 750 years. Ours is but young at 248 years. John Adams and company formed a Republic, let us keep it!

Happy Independence Day to Everyone, even the socialists!

Peace and Good – Fr. Bambrick

Prayer to St Michael The Archangel

St. Michael the Archangel, defend us in battle. Be our protection against the wickedness and snares of the Devil. May God rebuke him, we humbly pray, and do thou, O Prince of the heavenly hosts, by the power of God, thrust into hell Satan, and all the evil spirits, who prowl about the world seeking the ruin of souls.
Amen

Prayer for the Synod on Synodality

We stand before You, Holy Spirit, as we gather together in Your name. With You alone to guide us, make Yourself at home in our hearts: Teach us the way we must go and how we are to pursue it. We are weak and sinful; do not let us promote disorder. Do not let ignorance lead us down the wrong path nor partiality influence our actions. Let us find in You our unity so that we may journey together to eternal life and not stray from the way of truth and what is right. All this we ask of You, who are at work in every place and time, in the communion of the Father and the Son, forever and ever. Amen

The Annual Enrollment is a beautiful gift for special times in life and for the eternal rest of our faithful departed. We are very happy to pray for you and your loved ones.

The Annual Enrollment Mass is celebrated the First Friday of each month at 8:30am for a period of one (1) year—12 months.

In the Catholic Church, the anointing of the sick is a sacrament that is administered to a Catholic "who, having reached the age of reason, begins to be in danger due to sickness or old age". There is no need to wait until a person is at the point of death to receive the Sacrament. The Sacrament may be received at any time during a person's illness, especially before surgery or treatment. We suggest calling to receive the Sacrament *before* a person is in grave danger of death as it is not always possible to have a priest available at the actual time of death. If you would like to schedule the Sacrament of the Anointing of the Sick for a loved one, please contact the parish office.
