Dear Parish Family:

We Americans love our animals, in particular we have a love affair with dogs. We have many sayings about dogs such as when our feet ache we say, "my dogs are barking" and when it gets hot we say, "it's the dog days of summer", heck one of America's favorite foods is the Hot 'Dog'! Over the summer we welcomed a new member of the Congregation, his name is Whistler, he is a trained Service Dog assisting a parishioner with her medical needs. Many folks saw him at the 8:30am Mass and occasionally at the 10:30am Mass and vocalized their wonder, 'Has the parish now gone to the dogs?' Covid-19 certainly has decimated Mass attendance so it seems we have been bringing in the dogs! Seriously after dialoguing with his family about his Mass attendance I asked if we could put something in the bulletin to raise awareness of people with disabilities and the service animals that assist them. There has been some rather bad publicity due to people passing off iguana's, snakes and peacocks – to mention a few- as service animals. I thought it would be nice to raise awareness about the importance of service dogs for the disabled. A lot of time, training and money is invested in selecting the right dog for the right job. It is also important for us to remember they are working animals and not pets.

Whistler, by-the-way, is not named for the famous American Painter James Whistler but for Whistler Mountain, the ski resort! He is a trained Service Unit or commonly called 'service Dog'. He is from an organization in Susquehanna Pennsylvania that breeds, raises and trains dogs to assist people with disabilities. Here is his story told by his Human Companion Dawn whom Whistler assists:

*Susquehanna Service Dog "Whistler" joined our family in late June. By July 1st, he became a member of our parish. I have been on a waiting list for a service dog for approximately 4 years. During that time, Whistler was born and began puppy training at 8 weeks old. He then moved into more advanced training where he learned a variety of skills and the trainers determined what area he worked best at and enjoyed. It was concluded that Whistler made an excellent balance and mobility dog so he moved into another level of training to finesse his skills. He was introduced to me at a "Meet the Dogs" session. Whistler was one of 3 dogs that I had the opportunity to work with. It was concluded by the team and myself that he was my perfect match. Whistler was taught to assist his partner to balance safely while walking, provide support while stepping up and down curbs and steps, pick up dropped items, open handicapped press button doors, and "get help" if needed. The final phase of training consisted of "Partner Training". Whistler and I spent several weeks practicing the skills he learned in order to help me maintain independence. Whistler is an amazing dog and is incredibly happy to help and be with people. Whistler is 2 years old and we continue to learn together. At times, you may hear a "clicker" training tool being used or hear him crunching his treats during mass. Most importantly, Whistler really helps me. As exciting as it is to see him at mass, Whistler is a working dog and he still has to work on the Sabbath. While he is working, his attention to his job is critical for my safety. I am excited that so many have welcomed him into our parish family. Thank you Father Bambrick and the many members of our faith community for making Whistler so welcome.*

Thank you Dawn for allowing me to raise awareness of the important role of service animals.

Peace and Good – Fr. Bambrick

**The Parish Community of St. Aloysius offer congratulations to Fr. Bambrick on his 30<sup>th</sup> Anniversary as a priest in the Diocese and Deacon Uku Mannikus on his 20<sup>th</sup> Anniversary. We are blessed and thankful for your service. God bless you both today and always.**

### Our Holy Father Pope Francis Appeal for Americans to get vaccinated

We have been receiving a fair number of phone calls regarding the Catholic Church's stance on Vaccination. While Fr. Bambrick has written extensively about this issue and we have made announcements weekly for months encouraging people to get vaccinated, recent media reports have raised the question about exemptions for religious reasons. The Catholic Church encourages, promotes, supports and approves of Covid-19 vaccination. Pope Francis has called it a "moral obligation" ("*I believe that morally everyone must take the vaccine,*" the pontiff said in a Jan. 10 2021 interview for Italy's TG5 news program. "*It is the moral choice because it is about your life but also the lives of others.*") and in this video he calls it an "*act of love*" for the Common Good of Humanity. From the point of view of the Catholic faith there are no religious objections to the Covid-19 vaccines. At the same time the Church recognizes the right of individuals, for conscience or health reasons, may chose not to get vaccinated but the Church has no religious objections to the vaccine (quite the opposite). The Holy Father recently partnered with Ad Council of the USA to produce a video along with several Cardinals from the America's to promote vaccination among Christians of North, Central and South America. We urge you to listen to the Holy Father's Appeal, made in his native Spanish but with English Sub-Titles.

***An Act of Spiritual Communion***

My Jesus, I believe that You are present in  
the Most Holy Sacrament.

I love You above all things, and I desire  
to receive You into my soul.

Since I cannot at this moment receive You sacramentally  
come at least spiritually into my heart.

I embrace You as if You were already there  
and unite myself wholly to You.

Never permit me to be separated from You.  
Amen

***Daily Prayer for the Year of St. Joseph***

Hail, Guardian of the Redeemer, spouse of  
the Blessed Virgin Mary.

To you God entrusted his only Son;  
in you Mary placed her trust;  
with you Christ became man.

Blessed Joseph, to us too, show yourself a father  
and guide us in the path of life.

Obtain for us grace, mercy and  
courage, and defend us from every evil.

Amen

***Prayer to St. Michael***

Saint Michael the Archangel, defend us in battle,  
Be our protection against the wickedness and  
snares of the devil. May God rebuke him, we  
humbly pray: and do thou, O Prince of the heavenly  
Host, by the power of God, thrust into Hell Satan  
and the other evil spirits who prowl about the world  
for the ruin of souls.

Amen
