Dear Parish Family,

This weekend we celebrate the Solemnity of Our Lord Jesus Christ, King of the Universe. This is the last Sunday of the Liturgical Year, with next weekend being the First Sunday of the New Liturgical Year of Grace, the Season of Advent.

The Solemnity is often simply called by its former title, 'Christ the King'. Compared to other liturgical solemnities, it is fairly recent. Pope Pius XI established it in 1925 through his encyclical Quas Primas.
In 1969, after Vatican II, Pope St. Paul VI renamed the feast 'Solemnity of Our Lord Jesus Christ King of the Universe' in Mysterii Paschalis (1969). He also moved it to the end of the liturgical year to highlight its focus on the end times and Christ's second coming.

The Sunday readings before Christ the King call our attention to the end times and Christ's second coming. This connects well with the start of the New Liturgical Year, as Advent reminds us of the three comings of Christ: first, the Annunciation and Incarnation; second, his coming into our hearts now (and, thus, our final end); and third, his second coming at the end of time. Remember, Advent means 'to come'.

Like God, who has no beginning or end, the liturgical year is cyclical, with one end flowing into a new beginning. This is a constant renewal of God's presence. Bishop Robert Barron describes Advent this way: "Advent calls to mind Christ's definitive coming at the end of time. One of the peculiar marks of Christianity is the belief that time is going somewhere. It is not just "one damn thing after another," as the cynical adage famously has it, nor simply an endless cycle, nor the "eternal return of the same." Rather, time has a direction, moving toward its consummation, when God will be all in all. The Church identifies this final culmination as the "second coming" of Jesus, and the Gospels speak of it often. Here is just one example from the Gospel of Luke: "Jesus said to his disciples: 'There will be signs in the sun, the moon, and the stars, and on earth nations will be in dismay. . . . People will die of fright in anticipation of what is coming upon the world. . . . And then they will see the Son of Man coming in a cloud with power and great glory.'" This language shows the belief that, at the end of the age, the old order will pass away and God will renew the patterns of reality. At Christ's second coming, all the seeds planted in nature and history will bear fruit, all the hidden possibilities of the world will be fulfilled, and God's justice will fill the earth as the waters cover the sea.

The Church's belief—and it governs the whole of its life—is that we are living in the in-between times; that is to say, in between the culmination of history in the cross and Resurrection and the definitive fulfillment of history in the second coming of Jesus."

Happy Thanksgiving to everyone! Thank you to all who gave their time, talent, or treasure to help those in need through our Thanksgiving Dinner program! This is one of our biggest endeavors of the year.

And as they say in the movies, "The End!"

Peace and Good – Fr. Bambrick
